INTRODUCTION

In a world where countless voices remain unheard and many lives struggle in silence, HRPF stands as a symbol of hope, humanity, and compassion. Our mission is not only to serve communities but to heal hearts, uplift dreams, and bring light into the lives of those surrounded by hardship.

At HRPF, we believe that every human being deserves dignity, education, healthcare, protection, and an opportunity to live a better life. From supporting vulnerable families to empowering youth and standing beside those forgotten by society, our journey is driven by love, kindness, and the belief that even the smallest act of humanity can change someone's future forever.

We are more than an organization — we are a family of passionate individuals working together to create a world filled with peace, equality, and hope. Every smile we restore, every child we educate, and every life we touch becomes a reminder that humanity still lives.

HRPF is not just serving people; we are rebuilding hope where it was lost.

MESSAGE FROM THE CHAIRMAN

In the name of Allah, the Most Gracious, the Most Merciful

It is a matter of deep honour and profound responsibility to present this official profile of the Human Rights Protection Foundation (HRPF) to our esteemed partners, donors, governmental authorities, and international stakeholders.

HRPF was established with one unwavering conviction: that every human being — regardless of gender, creed, ethnicity, or socio-economic standing — is endowed with inalienable rights that must be protected, promoted, and upheld by every institution of civil society. Since our inception, we have stood firm at the intersection of law, advocacy, and community service. In a nation where systemic challenges continue to test the resilience of the marginalized, HRPF has taken upon itself the moral and legal obligation to be a voice for the voiceless. We have filed complaints before NEPRA, the National Commission for Human Rights, the Punjab Ombudsman, and the Pakistan Information Commission — each action a testament to our resolve that accountability is not optional.

Our work spans a broad spectrum: from protecting women and children against exploitation, to fighting for prisoners' rights behind closed walls; from raising alarms over environmental degradation to demanding transparency through the Right to Information Act. We believe that human rights and environmental justice are inseparable — a community without clean air, clean water, and a safe environment cannot truly exercise its freedoms.

To our partners and well-wishers, I extend my deepest gratitude. Your trust fuels our mission. To the communities we serve, your dignity is our driving force. And to every citizen of Pakistan who dares to demand justice — HRPF stands beside you.

ABOUT THE ORGANIZATION

The Human Rights Protection Foundation (**HRPF**) is a duly registered, non-governmental, non-profit civil society organization headquartered at Mianwali Ranjha, Tehsil and District Mandi Bahauddin, Punjab, Pakistan. **HRPF** is committed to the promotion and protection of fundamental human rights, civic accountability, social justice, environmental sustainability, and the rule of law throughout Pakistan.

Established under the Societies **Registration Act of 1860**, **HRPF** has grown from a grassroots initiative into a recognized institutional force in civil society. The Foundation holds registration with the Punjab Charity Commission under **Registration No. PB-9927416107711230** (Category A, dated 16 May 2022), and is further certified by the Pakistan Centre for Philanthropy (**PCP**) — reflecting full compliance with national standards of transparency, governance, and charitable operation.

HRPF operates across a diverse thematic spectrum encompassing human rights documentation and advocacy, women and children's rights, freedom of the press, Right to Information (**RTI**) litigation, environmental justice, disaster relief, interfaith harmony, anti-human trafficking, and civic education. The organization actively engages with regulatory authorities, judicial forums, the media, and international partners to advance its mandate.

VISION, MISSION & CORE VALUES

Our Vision

A Pakistan — and ultimately a world — where every individual lives with dignity, equality, and justice; where institutions are accountable, rights are protected, and no person is left behind due to poverty, discrimination, or abuse of power.

Our Mission

To advocate for the supremacy of human rights, institutional transparency, and environmental sustainability through legal action, civic engagement, community empowerment, and public awareness — ensuring that the rights of the most vulnerable are upheld at all levels of governance in Pakistan.

Core Values

- Integrity — We act with honesty, transparency, and professional ethics in all our endeavours.
- Justice — We believe in equal access to justice and the rule of law for every citizen.
- Accountability — We hold institutions accountable and we hold ourselves to the same standard.
- Inclusivity — We work for all communities regardless of gender, religion, or social status.
- Independence — We operate free from partisan political influence or vested interests.
- Sustainability — We integrate environmental stewardship into our human rights framework.

Our Vision is to cultivate a society where the rule of law serves as the bedrock of progress and where every individual thrives in an environment defined by dignity, equality, and lasting peace.

THEMATIC FOCUS AREAS

HRPF's programmatic work is organized around the following core thematic pillars, which collectively address the most pressing human rights and development challenges in Pakistan:

01. Human Rights Advocacy

Documentation, reporting, and legal intervention in cases of human rights violations — including custodial abuse, police misconduct, and denial of due process.

02. Women's Rights & Gender Equality

Combating domestic violence, gender discrimination, and ensuring women's access to justice, education, and economic opportunity.

03. Children's Rights

Advocacy against child labour, child sexual abuse, and denial of educational rights; support for children in jails and conflict-affected zones.

04. Right to Information (RTI)

Institutional advocacy for transparency and access to public information under the RTI Act 2017; filing of formal RTI appeals before the Pakistan Information Commission.

05. Freedom of the Press

Protection of journalists from threats and violence; combating yellow journalism; advocacy for media freedom at national and district levels.

06. Environmental Justice & Climate Change

Raising awareness on floods, earthquakes, and climate-related crises; advocating for environmental policy reform and community resilience.

07. Prisoners' Rights

Monitoring detention conditions in district jails; facilitating access to legal aid for innocent prisoners and under-trial detainees.

08. Disaster Relief & Humanitarian Aid

Emergency response to floods, droughts, and other natural disasters; provision of relief goods and rehabilitation support to affected communities.

09. Civic Accountability

Filing of formal complaints to Ombudsman offices, NEPRA, NCHR, and other regulatory bodies on behalf of citizens aggrieved by institutional failures.

10. Interfaith Harmony & Social Cohesion

Promotion of tolerance, coexistence, and community dialogue across religious and ethnic boundaries.

11. Education & Literacy

Support for educational institutions; collaboration with Punjab Education Foundation; youth awareness campaigns.

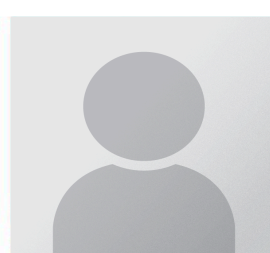

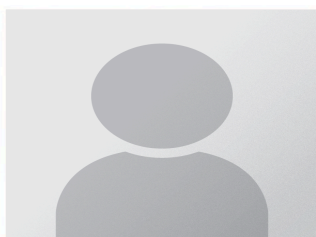

12. Anti-Human Trafficking

Awareness campaigns and reporting mechanisms to combat human trafficking and modern slavery.

BOARD OF DIRECTORS

The governance of HRPF is vested in a Board of Directors comprising qualified professionals, legal practitioners, healthcare specialists, and civic leaders. The Board ensures strategic oversight, institutional integrity, and compliance with all applicable laws and donor requirements.

Why Donors Trust HRPF?

In a world where millions of people continue to suffer from injustice, poverty, violence, lack of education, and basic human rights violations, trust becomes the foundation of every humanitarian effort. Donors do not simply give money — they invest their hope, compassion, and belief in organizations that truly care for humanity. This is why donors continue to place their trust in Human Rights Protection Foundation (HRPF).

HRPF is more than an organization; it is a voice for the voiceless, a helping hand for the vulnerable, and a source of hope for those who feel forgotten by society. Since its establishment, HRPF has worked tirelessly to protect human rights, support disadvantaged communities, and stand beside victims of injustice without discrimination of religion, race, gender, or social background.

We Serve Humanity with Sincerity

At HRPF, every project begins with one simple belief: every human being deserves dignity, safety, education, healthcare, and justice. Our mission is not driven by profit or publicity — it is driven by compassion and responsibility toward humanity.

Whether helping poor families, supporting children's education, raising awareness about women's rights, improving healthcare access, or responding to public issues, HRPF works directly with communities to create real and lasting impact.

Donors trust HRPF because they know their support reaches people who truly need it.

Transparency Builds Confidence

Trust cannot exist without transparency. HRPF believes in honesty, accountability, and responsible use of every donation received. We maintain clear communication with our supporters and ensure that funds are utilized for meaningful humanitarian work and community development projects.

Our organization actively promotes transparency through lawful and ethical practices, including cooperation with public institutions and advocacy under the Right to Information framework. This commitment assures donors that their contributions are handled with integrity and responsibility.

Real Action, Real Impact

HRPF is not limited to words or promises. We take action where communities face serious challenges. From improving access to clean drinking water and healthcare

facilities to addressing environmental issues, public safety concerns, and human rights violations, HRPF works continuously to solve real problems affecting ordinary people.

Every effort we make is focused on creating positive social change and improving lives. Donors trust HRPF because they witness practical results, community engagement, and genuine dedication from our team.

A Voice for the Oppressed

Many people suffer in silence because they have no platform to speak for their rights. HRPF stands for those individuals. We listen to victims of injustice, support vulnerable communities, and raise our voice against oppression through legal, peaceful, and humanitarian channels.

Our commitment to protecting women, children, innocent prisoners, and marginalized communities has strengthened our reputation among supporters who value justice, equality, and human dignity.

Empowering Communities for a Better Future

HRPF believes that sustainable change comes through education, awareness, empowerment, and community participation. We aim not only to help people survive difficult situations but also to help them build better futures for themselves and their families.

By supporting HRPF, donors become partners in changing lives. Their contributions help create educational opportunities, health awareness programs, social protection initiatives, and humanitarian support systems that bring long-term positive change.

Every Donation Creates Hope

Behind every donation is a story of kindness. A child receives education. A family gains access to clean water. A victim of injustice finds support. A struggling community feels hope again.

This is why donors trust HRPF — because they know their support becomes a source of light in someone's darkest moment.

At HRPF, we deeply value every donor, volunteer, and supporter who joins our mission. Together, we are building a society based on compassion, equality, justice, and human dignity.

Your trust inspires us to continue serving humanity with honesty, dedication, and love.

Together, We Can Change Lives

Human Rights Protection Foundation (HRPF) welcomes individuals, organizations, partners, and donors from around the world to join hands in creating a safer, fairer, and more compassionate society.

When you support HRPF, you are not only donating funds — you are giving hope, protecting human rights, and helping humanity heal.

Because real change begins when people care for one another.

Conclusion & Executive Summary 2023

The **2022–2023** performance of the Human Rights Protection Foundation (**HRPF**) demonstrates a strong commitment to protecting human rights, promoting transparency, and improving the quality of life for vulnerable communities across Pakistan. Throughout the year, **HRPF** successfully addressed critical public issues related to law and order, clean drinking water, electricity supply, environmental protection, healthcare, education, and human rights advocacy.

HRPF proved itself as a responsible and action-oriented organization by actively engaging with government departments, public institutions, media organizations, and international human rights bodies to ensure that the voices of the public were heard and their problems were resolved effectively. The organization not only highlighted social injustices but also worked practically to bring positive change through legal channels, public awareness, and institutional cooperation.

One of the key strengths of **HRPF** is its transparent and collaborative approach. The organization used the Right to Information (RTI) framework to obtain public records and promote accountability within institutions. This helped strengthen trust between the public and government authorities while encouraging good governance and responsible administration.

During the reporting period, **HRPF** played an important role in improving public services by addressing issues such as unsafe drinking water, sewerage problems, electricity load shedding, environmental pollution, and lack of healthcare facilities. The organization's efforts led to practical solutions, approvals of public service projects, and improved coordination among departments for the welfare of local communities.

In addition, **HRPF** continued its mission to defend the rights of oppressed and vulnerable individuals by responding to complaints of injustice and human rights violations at both national and international levels. The organization maintained communication with global human rights institutions and advocated for lawful and peaceful resolutions in accordance with international human rights principles.

The achievements of **HRPF during 2022–2023** reflect the dedication, professionalism, and social responsibility of its leadership and team members. The organization remains committed to serving humanity without discrimination and believes in creating a society based on justice, equality, dignity, and respect for human rights.

Moving forward, **HRPF** aims to expand its outreach, strengthen partnerships with national and international organizations, and launch more impactful initiatives in the areas of education, healthcare, women empowerment, child protection, environmental sustainability, disaster response, and legal awareness. With continued support from donors, partners, volunteers, and stakeholders, HRPF is determined to build a safer, more just, and more compassionate society for future generations.

Final Message for Donors & Partners

HRPF believes that real change is possible when communities, institutions, and development partners work together with sincerity and dedication. The organization welcomes collaboration, partnerships, and support from national and international donors, NGOs, corporate sectors, and humanitarian agencies to continue its mission of protecting human rights and serving humanity. Together, we can create lasting social impact and bring hope, justice, and opportunity to those who need it most.

Conclusion & Executive Summary 2024

The Annual Performance Report **2024** of the Human Rights Protection Foundation reflects a year of unwavering dedication, courageous advocacy, and impactful humanitarian service across Pakistan. Despite limited financial and operational resources, HRPF continued to stand at the forefront of protecting human dignity, promoting transparency, and raising the voices of marginalized and vulnerable communities.

Throughout 2024, HRPF actively addressed critical issues including human rights violations, police misconduct, environmental pollution, rising crime rates, overseas Pakistani concerns, healthcare challenges, public welfare infrastructure, and human trafficking. The organization not only highlighted these concerns before relevant authorities but also pursued legal, administrative, and social actions to ensure accountability and justice.

One of the defining strengths of HRPF has been its commitment to transparency and lawful advocacy through the Right to Information Act (RTI). By utilizing legal mechanisms and engaging institutions at provincial and national levels, **HRPF** successfully exposed systemic shortcomings, demanded institutional accountability, and encouraged reforms for public welfare.

The foundation also demonstrated strong humanitarian values through direct community support initiatives such as medicine assistance, food distribution, educational support, environmental campaigns, infrastructure improvement efforts, and support for overseas Pakistanis facing legal and humanitarian crises abroad. These efforts showcase **HRPF's vision** of creating a society built upon justice, equality, compassion, and dignity for all.

Furthermore, HRPF's proactive engagement with government departments, law enforcement agencies, ombudsman offices, environmental authorities, and human rights organizations reflects its growing credibility and institutional influence. The organization's ability to convert public complaints into actionable reforms highlights its effectiveness as a bridge between the people and state institutions.

As HRPF moves forward, the organization aims to expand its humanitarian outreach, strengthen legal advocacy, enhance public awareness campaigns, and build stronger partnerships with donors, civil society organizations, media, and national and international stakeholders. With greater support and collaboration, HRPF believes it can significantly increase its impact and continue protecting the rights and dignity of vulnerable communities across Pakistan.

HRPF sincerely acknowledges the support of its volunteers, donors, legal experts, social workers, journalists, and community members who stood alongside the organization during this journey. Their trust and cooperation remain the driving force behind every achievement.

Together, we can build a safer, fairer, and more compassionate society where justice prevails, human rights are protected, and every individual is treated with dignity and respect.

SUB: HRPF CONCERNS ABOUT WASTAGE OF INFECTED SEWERAGE WATER IN CANAL WATER BY TMA M.B.DIN.

Respected Sir,

It is requested that Human Rights Protection Foundation is striving for the supremacy of human rights in the country and transparency in institutions. In this regard, it is submitted that Punjab is suffering from the most serious problems regarding environmental pollution. Similarly, Mandi Bahauddin is also much affected by environmental pollution. Especially air pollution and underground water has become polluted and harmful to health. It is brought under your kind attention that dirty and harmful sewerage water is being dumped in the fresh water of Mandi Bahauddin canals by TMA Mandi Bahauddin. Cattle and humans also drink this water. This water is also used daily by the people living beside the banks of these canals. Wastage of this infected water is a very dangerous practice. Apart from this, owners of control sheds also dispose their dead chicks in the same canals instead of disposing them according to the code of conduct. Even before this, the Human Rights Protection Foundation has raised strong voices. It is requested that legal action may kindly be taken against the elements that spoil and affect the canal water and TMA Mandi Bahauddin.

Kind Regards,
Muhammad Yousaf Badar,
Chairman

SUB: SUGGESTIONS ABOUT BURNING OF TRANSFORMERS IN GEPCO REGION.

Respected Sir,

It is requested that the Human Rights Protection Foundation is striving for the supremacy of human rights and transparency in institutions in the country. In this context, I feel it necessary to bring to your kind attention some important aspects regarding burning of transformers in the current heat wave and the official negligence behind it.

1. In GEPCO Region Gujranwala, farmers have installed mono-motors in agricultural areas without approval as per regulations. Transformers are burning due to overload. There is very numerous throughout the region.
2. All the date of agricultural motors and chillers of other dairy farms may kindly be collected. They should be strictly bound to get their load approved as per GEPCO rules.
3. The field staff in the entire region has not balanced the load of the transformers. They should immediately balance the load of all transformers.
4. A complete on-line record of any transformer damage or loss should be prepared at GEPCO HQ. Each Line Superintendent shall report through his Assistant Manager GEPCO every damaged or burnt out transformer. An efficient and empowered team should be formed in every circle office to determine the reasons for transformers malfunctioning and submit their report to the head office. Take strict legal action against the officers responsible for departmental negligence.
5. The files of new connections should be investigated for at least one year. Many illegal connections will be detected. It is very important to take effective action against these responsible officials.
6. Electricity theft/other departmental monitoring teams in the entire region should be managed directly by GEPCO HQ, so that no local officer can interfere with them.
7. Full protection should be provided to the surveillance teams of electricity theft. They should be strongly encouraged according to their performance.
8. Full surveillance of the minor of tariff should be done throughout the region. It can bring good revenue to the GEPCO.
9. Immediate work should be started on approved HEST proposals across the region so that remaining transformers can be spared from loss.

You are requested please consider our proposals/suggestions in the interests of the department.

Kind Regards,
Muhammad Yousaf Badar

Name of the Agency complained against: M.B. MANDI BAHAUDDIN GAS PIPELINES LTD. (MBGL)

Name & Designation of the Investigating Officer: MR. PERVEZ AGHA, AGENT, MBGL

Date when IO issued report from Agency: 04.07.2023

Date of Receipt of Agency's report to HRPF: 12.07.2023

Number & Date of Hearing: 04.07.2023

Name & Designation of the Agency's Representative who attended the hearing: MR. PERVEZ AGHA, AGENT, MBGL

Whether the complainant attended the hearing? YES

Is there a violation of complainant attended the hearing, in the case?

The complainant alleged maladministration on the part of the Agency regarding improper gas pressure and unauthorised load shedding of gas supply in his area. The complainant stated that the residents of the locality were being unauthorised load shedding of gas and low pressure due to which many businesses were being compromised. The matter was reportedly brought into the notice of the MBGL, but no action was being taken by the Agency's officials to improve the situation. He prayed that the Agency may be directed to resolve the issue without further delay.

3. The matter was referred to the Agency for a report. In response, the Agency, vide its letter dated 12.07.2023, stated that a site visit was carried out by Agency's team and the complainant informed that gas was available in day time but at night, no gas was available. He was informed that as per Company's policy, gas is available only during evening hours i.e. 1800 hrs to 1800 hrs, 1200 hrs to 1800 hrs and 1800 hrs to 1800 hrs only. The complainant confirmed the availability of gas during the above mentioned hours.

Conclusion & Executive Summary 2025

The **2025 Annual Performance Report** of the Human Rights Protection Foundation demonstrates a powerful commitment to justice, transparency, humanitarian service, and the protection of fundamental human rights across Pakistan. Throughout the year, HRPF emerged as a strong public voice for vulnerable communities, victims of violence, journalists, women, children, laborers, flood victims, and ordinary citizens facing institutional negligence and abuse of authority.

This report reflects not only documented concerns but also practical actions, legal advocacy, public awareness campaigns, and direct engagement with government departments, regulatory authorities, human rights institutions, and international organizations. HRPF consistently acted as a bridge between the people and the state, ensuring that the voices of the oppressed were heard and their issues formally raised before relevant authorities.

During 2025, HRPF actively highlighted major national issues including:

- Pakistan's education crisis and millions of out-of-school children,
- Rising violence, kidnappings, and police misconduct,
- Human rights violations and torture cases,
- Press freedom threats and attacks on journalists,
- Flood relief corruption and humanitarian negligence,
- Electricity infrastructure failures and public safety hazards,
- Women and child protection concerns,
- Public health emergencies affecting rural communities,
- Consumer rights and institutional accountability.

HRPF's efforts resulted in significant institutional responses, including inquiries initiated by authorities, legal reviews, public accountability measures, infrastructure development projects, and increased public awareness regarding human rights and governance failures. Through petitions, investigations, media advocacy, and legal interventions, HRPF demonstrated that civil society organizations can play a transformative role in strengthening democracy, transparency, and the rule of law.

The Foundation also continued its humanitarian and community welfare initiatives by facilitating electricity infrastructure improvements, supporting access to clean drinking water, advocating for disaster victims, and demanding protection for marginalized populations. These initiatives reflect HRPF's belief that human rights advocacy must go beyond reporting issues and should contribute directly toward practical community relief and sustainable social improvement.

A **major highlight of HRPF's work in 2025** was its unwavering defense of press freedom and freedom of expression. The organization consistently raised its voice against violence, intimidation, false cases, censorship, and attacks targeting journalists and media workers in Pakistan. By engaging international organizations and advocating for institutional reforms, HRPF reinforced its role as a defender of democratic values and constitutional rights.

HRPF also proved its commitment to accountability by exposing administrative negligence, fake relief operations, misuse of authority, and failures within public institutions. Its interventions on issues such as police abuse, emergency response failures, unsafe power infrastructure, and public health crises demonstrate a courageous and independent approach focused on public interest rather than political influence.

As HRPF moves forward, the organization envisions expanding its nationwide outreach, strengthening legal aid mechanisms, enhancing partnerships with national and international stakeholders, empowering local communities, and increasing institutional accountability through lawful democratic means. The Foundation seeks collaboration with donors, development organizations, humanitarian agencies, legal experts, journalists, and civil society partners who share the vision of a peaceful, transparent, and just Pakistan.

HRPF firmly believes that sustainable social progress can only be achieved through collective responsibility, transparency, compassion, and equal justice for all citizens. With stronger partnerships and continued public trust, the Foundation is prepared to expand its impact and continue serving humanity with courage, integrity, and dedication.

A Message to Partners, Donors & Supporters

The Human Rights Protection Foundation welcomes partnerships with humanitarian organizations, donors, development agencies, legal institutions, media organizations, and socially responsible individuals who believe in protecting human dignity and strengthening democratic values.

By supporting HRPF, partners become part of a mission dedicated to:

- Protecting vulnerable communities,
- Promoting transparency and accountability,
- Supporting victims of injustice,
- Defending press freedom and constitutional rights,
- Strengthening public welfare initiatives,
- Creating sustainable social impact across Pakistan.

Together, we can build a society where justice prevails, human dignity is respected, institutions remain accountable, and every citizen can live with safety, equality, and hope for a better future.

❖ Environmental Situation in MBD:

An environmental issue arose when controlled poultry sheds disposed of dead chicks in canal waters, causing waterborne diseases for the public and livestock. HRPF investigated and collaborated with relevant authorities. The District Officer of Environment issued a show-cause notice to the shed owner and referred cases to the Environment Protection Tribunal. In recognition of these efforts, HRPF received appreciation letters from AD Livestock MBD and related officers.

The Secretary,
Power Division,
Islamabad, Pakistan.
Subject: **Urgent Complaint Regarding Prolonged Power Outage in Mianwal Ranjha Feeder, Sub-Division Kuthiala Sheikhhan Mandi Baha ud Din.**

Dear Sir,
It is with deep concern that we bring to your attention the continuous power outage in Mianwal Ranjha Feeder, Sub-Division Kuthiala Sheikhhan. Today, the feeder remained non-functional throughout the day due to a work permit issued for the Construction Sub-Division. However, even after Asar prayer, the electricity has been persistently out until 10:00 PM, causing severe distress among the local population.

The incompetence of the concerned operation staff is evident, as there is no adverse weather condition—no rain, no storm—yet they have failed to trace the fault in a timely manner. This reflects a serious lack of efficiency and responsibility. It is pertinent to mention that this is not an isolated incident; there have been numerous previous complaints regarding the frequent disruptions in this feeder. Unfortunately, no corrective measures have been taken, nor has the necessary maintenance work been carried out to prevent such occurrences.

The prolonged power outage, especially during the holy month of Ramadan, is highly concerning. Mosques are without water, and individuals observing Iktat are facing extreme difficulties. This negligence is unacceptable and requires immediate intervention.

We urge you to take strict notice of this situation, ensure the restoration of electricity without further delay, and initiate necessary actions against the responsible personnel. Additionally, we request a permanent solution to the recurring issues of Mianwal Ranjha Feeder.

Your prompt attention to this matter will be highly appreciated.

Sincerely,
Muhammad Yousaf Badar

HRPF RAISES BRUTAL MURDER CASE AND RISING CRIME ISSUE WITH HIGHER

AUTHORITIES

The Human Rights Protection Foundation (HRPF) has formally raised the alarming rise in criminal activities in Mandi Bahauddin with the higher authorities and relevant government officials. While acknowledging the sincere and commendable efforts of the District Police Officer (DPO) to restore law and order, HRPF emphasized that the overall crime situation remains deeply concerning and demands urgent institutional reforms.

HRPF particularly highlighted the brutal murder of an innocent girl and strongly urged the competent authorities to ensure the immediate arrest of the perpetrators and transparent investigation of the case. The Foundation stressed that justice must be delivered without delay to restore public confidence in the justice system.

In its communication with senior officials, HRPF also pointed out serious concerns regarding the weak performance of certain field police staff, especially investigating officers, whose lack of professionalism and integrity is undermining the DPO's efforts.

Furthermore, HRPF brought to the attention of higher authorities the alleged illegal involvement of private individuals ("writers") operating inside police stations, terming it a grave violation of law and administrative norms that compromises transparency and accountability.

HRPF reaffirmed its commitment to protecting fundamental human rights and strengthening the rule of law. The Foundation stands in solidarity with the victim's family and the affected community and will continue to monitor the situation until justice is ensured.

15 TOURISTS DROWNED IN RIVER SWAT – HRPF EXPRESSES SERIOUS CONCERN

Brief Performance Report

The Human Rights Protection Foundation (HRPF) expresses its profound grief and deepest condolences over the tragic drowning of 15 tourists in the River Swat near Mingora on June 27, 2025. The Foundation has conveyed its serious concern to all relevant authorities, declaring the incident a result of gross administrative negligence rather than an unavoidable natural disaster.

HRPF formally alerted concerned national and provincial institutions, emphasizing that prior flood warnings were reportedly ignored and no timely rescue response was initiated. The Foundation stressed that the loss of 15 precious lives reflects a serious failure of duty and public safety mechanisms.

Key Actions Taken by HRPF:

- Urged an immediate and transparent judicial inquiry.
 - Demanding criminal proceedings against negligent officials.
 - Called for prompt financial compensation for the bereaved families.
 - Highlighted the need for strict enforcement of safety regulations in tourism zones.
 - Recommended reforms in disaster preparedness and emergency response systems.
- HRPF reaffirmed that the protection of human life is the primary responsibility of the state. The Foundation stands in solidarity with the affected families and will continue to raise this matter until accountability and justice are ensured.

BARBARIC TORTURE OF A CIVILIAN IN MIANA GONDAL, DISTRICT MANDI BHAUDDIN

Date: June 27, 2025

Location: Village Waryait, Tehsil Phalia, District Mandi Bahauddin, Punjab, Pakistan

Summary

The Human Rights Protection Foundation (HRPF) strongly condemns the brutal abduction and torture of Mr. Allah Ditta, a local electrician. He was forcefully taken by a group led by Iftikhar and Zulfiqar, tortured in a private dera, and later abandoned severely injured.

This act violates Article 14 of the sections, and UDHR Articles 3 & 5.

HRPF Demands

Immediate arrest of all accused.

SUBJECT: URGENT CONCERN REGARDING INEFFECTIVENESS FOOT-AND-MOUTH DISEASE (FMD) VACCINE AND REQUEST FOR INQUIRY BASED ON COMPLAINTS RECEIVED BY HRPF.

The Human Rights Protection Foundation (HRPF) is an independent organization committed to the promotion of human rights, public welfare, and institutional transparency across Pakistan. It is with deep concern that we bring to your attention the alarming situation arising from the outbreak of Foot-and-Mouth Disease (FMD) in Mandi Bahauddin district, where a large number of livestock have been severely affected. Despite vaccination campaigns, the vaccine appears to be ineffective, causing

widespread distress among local farmers and livestock owners. While we acknowledge and appreciate the tireless efforts and dedication of the Additional Director Livestock, Mandi Bahaiddin, in addressing the crisis, the ground reality remains deeply concerning. Our foundation has received numerous complaints from the affected population, indicating a significant lapse in disease control and preventive measures.

In light of the gravity of the issue and the technical questions surrounding the efficacy of the FMD vaccine, we strongly urge your esteemed department to initiate a broad-based and impartial inquiry into the matter. Determining the root causes of the vaccine's failure is essential to prevent further livestock losses and to restore confidence in the government's veterinary services.

We look forward to your prompt and responsible action on this matter of public and economic concern.

The Honourable Chief Commissioner
Pakistan Information Commission
Islamabad, Pakistan

SUBJECT: APPLICATION FOR PROVISION OF CERTIFIED INFORMATION UNDER THE RIGHT TO INFORMATION ACT FROM ASSISTANT MANAGER GEPCO, KUTHALA SHEKHAN, DISTRICT MANDI BAHAUDDIN, PUNJAB.

Respected Sir,

I have the honour to submit that the Human Rights Protection Foundation (HRPF) is a duly registered human rights organization, working consistently for the promotion of human rights, good governance, institutional accountability, and transparency across Pakistan.

In pursuance of the objectives of the Foundation, a formal request for certified information was submitted under the relevant provisions of the Right to Information Act to the Assistant Manager, Gujranwala Electric Power Company (GEPCO), Kuthala Shekhan, District Mandi Bahauddin. The said request was submitted vide Reference No. 58/HRPF/2025 dated December 05, 2025. Initially, the application was personally delivered to the concerned officer; however, official receiving was deliberately not provided. Subsequently, on the following day, the same request was dispatched through registered post along with an acknowledgment card. Copies of the registered postal receipt and acknowledgment card are enclosed herewith for kind perusal. Furthermore, I also approached the said officer through telephone to pursue the matter, but the Assistant Manager flatly refused to provide the requested information, stating that the record could not be shared, which is a clear violation of the spirit and letter of the Right to Information law.

In view of the above facts and circumstances, I respectfully request your good office to kindly take notice of this unlawful denial and issue necessary directions to the concerned authority for the immediate provision of the requested certified information, strictly in accordance with the Right to Information Act.

I further solemnly affirm that no prior application, petition, or legal proceedings regarding this matter have been filed before any court, tribunal, or authority. I shall remain grateful for your kind intervention in the interest of transparency, rule of law, and public accountability.

Respectfully,
Muhammad Yousaf Badar
