Human Rights Protection Foundation.

[Www.hrpf.org](http://www.hrpf.org)

ANNUAL PERFORMANCE REPORT 2025

Human Rights Protection Foundation (HRPF) is registered by the Punjab Charity Commission with Registration # PB-9927416107711230 as Category (A) dated 16-05-2022. HRPF is also registered from Pakistan Centre of Philanthropy (PCP) Islamabad.

The aims and objectives of HRPF are to advocate for the supremacy of human rights,

With a particular focus on women's rights, children's rights, educational rights, and the rights of innocent prisoners. HRPF works to raise awareness of societal issues while also recognizing the efforts of dedicated officers. The organization strives for institutional transparency in accordance with the Right to Information (RTI) Act. Additionally, HRPF highlights the impact of natural disasters, such as floods and earthquakes, and their consequences on affected communities in

Pakistan. Furthermore, HRPF strongly supports freedom of the press and freedom of speech worldwide.

Human Rights Protection Foundation (HRPF) expresses its deepest concern over the alarming rise in human smuggling and human trafficking across the country.

This heinous crime has already claimed many precious lives, while numerous individuals remain missing and unaccounted for.

HRPF urges the authorities to take immediate, strict, and effective action against the networks involved and to ensure the protection, recovery, and justice for victims and their families.

Human dignity and life must be protected at all costs.

Message from Chairman HRPF

All praise is due to Almighty Allah, whose guidance and mercy enable us to stand firm in the cause of justice and human dignity.

It is with a profound sense of responsibility that I present the Annual Progress Report of the Human Rights Protection Foundation (HRPF).

HRPF remains steadfast in its mission to

uphold the supremacy of human rights and to promote transparency, accountability, and good governance within public institutions across Pakistan. Despite the complex and challenging environment prevailing in the country, our Foundation has continued its structured and sustained efforts to advocate for justice, equality, and the protection of fundamental freedoms.

The overall human rights situation in Pakistan remains deeply concerning. Various international human rights organizations have also expressed serious reservations regarding civil liberties, institutional transparency, and the protection of vulnerable communities. In this discouraging climate,

HRPF has remained committed to its Code of Conduct, maintaining integrity, neutrality, and professionalism in all its interventions.

During the reporting year, we focused significantly on public health awareness and environmental protection initiatives.

Environmental degradation and pollution are silently affecting millions, particularly marginalized communities. HRPF has actively engaged in awareness campaigns, advocacy efforts, and policy dialogue aimed at addressing these urgent concerns.

Human smuggling and human trafficking continue to represent grave national and international challenges. This dangerous and illegal enterprise has cost many precious lives, while numerous individuals remain missing. The situation is extremely alarming. Reports suggesting collusion between certain elements within anti-smuggling mechanisms and human traffickers are deeply troubling and call for urgent accountability and systemic reforms. The District of Mandi Bahauddin and the broader Gujranwala Division remain among the most affected regions, requiring coordinated and decisive action.

Moreover, the shrinking space for press freedom is a matter of serious concern. Enforced disappearances, intimidation, and targeted violence against journalists have raised significant questions about freedom of expression and democratic safeguards. A free press is indispensable for transparency, accountability, and institutional trust.

Despite these formidable challenges, HRPF remains unwavering in its resolve. We will continue our tireless efforts to ensure the protection of fundamental rights, strengthen institutional transparency, and uphold the rule of law. In this critical period, our Foundation is committed to playing a constructive and positive role in bridging the growing gap between the public and state institutions.

We firmly believe that lasting peace, stability, and development can only be achieved through justice, accountability, and respect for human dignity.

May Allah Almighty grant us wisdom, courage, and steadfastness in fulfilling this noble mission.

Muhammad Yousaf Badar

Chairman

Human Rights Protection Foundation (HRPF)

Pakistan.

Our Vision

At the Human Rights Protection Foundation (HRPF), we envision a world where every individual enjoys their full human rights, regardless of nationality, race, gender, or socioeconomic background. We aspire to create a society where people live in a clean and sustainable environment, free from pollution and environmental hazards, ensuring a healthy and dignified life for all.

We believe that access to essential services, such as healthcare, education, clean water, and justice, is a fundamental right of every human being. Our goal is to empower communities, enabling them to thrive independently and contribute positively to society. We are committed to fostering a world that is free from unjust imprisonment, discrimination, and human rights violations.

Our vision is deeply rooted in the principles of dignity, freedom, and global solidarity. We strive to build a future where justice prevails, equity is upheld, and prosperity is shared among all people, ensuring a world where human rights are universally respected and protected.

Our Mission

The mission of the Human Rights Protection Foundation (HRPF) is to uphold and champion human dignity and rights by advocating for transparency, environmental sustainability, and equal access to essential resources and services. We firmly believe that an informed society is an empowered society. Therefore, we actively

promote the Right to Information Act, ensuring that communities have access to vital knowledge that enables them to make informed decisions and demand accountability from institutions.

We work diligently to combat pollution and environmental degradation, striving for a cleaner and healthier planet where future generations can flourish. Access to clean drinking water is a fundamental human right, and we are committed to ensuring that underprivileged communities have safe and reliable water sources. Additionally, we focus on improving maternal healthcare services, particularly in marginalized areas, to safeguard the well-being of mothers and infants.

One of our core missions is to advocate for the release of innocent individuals who have been unjustly imprisoned. We provide legal aid, raise awareness, and mobilize support to prevent wrongful convictions and ensure fair

trials. Furthermore, we actively uphold human rights by offering advocacy and support to those facing injustices, discrimination, or exploitation.

In times of crisis, we lead reconstruction and rehabilitation efforts in affected communities, helping them rebuild their lives with dignity and stability. By addressing both immediate needs and long-term solutions, we aim to create a just, equitable, and thriving society where every individual can live freely, safely, and with the full realization of their rights.

At HRPF, we remain steadfast in our commitment to human rights, justice, and social equity, working towards a world where every person can live with dignity, freedom, and equal

Opportunities.

Human Rights Protection Foundation (HRPF) expresses its deepest concern over the alarming rise in human smuggling and human trafficking across the country.

This heinous crime has already claimed many precious lives, while numerous individuals remain missing and unaccounted for.

HRPF urges the authorities to take immediate, strict, and effective action against the networks involved and to ensure the protection, recovery, and justice for victims and their families.

Human dignity and life must be protected at all costs.

HRPF'S GREAT EFFORTS AGAINST HUMAN SMUGGLING: DETAILED REPORT ON HUMAN TRAFFICKING FROM MANDI BAHAUDDIN, PAKISTAN

Introduction

Human trafficking has reached alarming levels in Mandi Bahauddin, Pakistan. Hundreds of young men have lost their lives in illegal migration attempts, often through dangerous border crossings and boat journeys, while thousands remain detained in foreign prisons under harsh conditions.

The Human Rights Protection Foundation (HRPF) has emerged as a critical institution in combating human smuggling and trafficking. Through investigative journalism, advocacy, and pressure on authorities, HRPF has exposed organized criminal networks and demanded justice for victims—even while its Chairman has faced direct threats from human smuggling mafias due to his unwavering efforts.

Root Causes of Human Trafficking in Mandi Bahauddin

Economic Hardships

Rampant unemployment, rising inflation, and scarce opportunities push youth to seek illegal migration as a survival strategy.

Weak Law Enforcement and Corruption

Traffickers exploit connections with officials to operate freely. Victims are often abandoned in foreign countries without any protection.

Lack of Awareness and Education

Communities in rural areas are unaware of the risks involved in illegal migration. Traffickers lure families and youth with false promises of wealth and jobs abroad.

Social and Cultural Pressures

Strong societal expectations for men to financially support their families push them toward high-risk migration routes.

Absence of Effective Rehabilitation Programs

Government lacks structured programs to support vulnerable youth. Without skill development, employment, or financial aid, young people are left with no option but to risk their lives.

Devastating Consequences

Loss of Lives

Hundreds of young men from Mandi Bahauddin have perished while attempting illegal migration. Key victims include:

Individual case details withheld

Advocacy and Awareness

HRPF has submitted detailed reports to authorities and international organizations, including Amnesty International, urging urgent action.

Public campaigns and media engagement aim to educate communities about the risks of illegal migration.

Support for Victims' Families

HRPF provides counseling, legal guidance, and advocacy for families of victims.

Recognition by Senior Officials

Ex-DG FIA, Mr. Tariq Masood Khosa, publicly praised HRPF Chairman for his courageous efforts against human trafficking, recognizing the foundation's research and advocacy as instrumental in protecting vulnerable youth.

Facing Threats from Smuggling Mafias

Chairman HRPF has been repeatedly threatened by human smuggling mafias due to his investigative work.

Despite personal risk, he continues his fight against these criminal networks, highlighting their operations and demanding accountability.

Monitoring and Reporting

HRPF systematically documents human trafficking trends, missing youth, and smuggling networks, providing actionable recommendations to law enforcement.

Proposed Solutions

Strengthen Law Enforcement: Crack down on traffickers and complicit officials; establish special courts for trafficking cases.

Economic and Employment Initiatives: Launch rural job programs, skill development, and vocational training.

Public Awareness Campaigns: Educate communities and involve victims' families to prevent future tragedies.

Legal Migration Pathways: Negotiate safer agreements for work visas and labor mobility.

Support and Rehabilitation: Psychological, financial, and vocational support for victims and families.

International Cooperation: Collaborate with UN agencies, Interpol, and destination countries to dismantle networks.

Conclusion

The human trafficking crisis in Mandi Bahauddin is a direct result of economic hardship, weak governance, and criminal negligence.

HRPF stands at the forefront, exposing traffickers, advocating for victims, and supporting families. The recognition of Chairman Muhammad Yousaf Badar by Ex-DG FIA, Mr. Tariq Masood Khosa, and his courageous work despite direct threats from human smuggling mafias, underscores the foundation's unwavering commitment.

INSTITUTIONAL ACCOUNTABILITY IN ACTION: PROVINCIAL OMBUDSMAN PUNJAB RESPONDS TO HRPF 's PETITION ON GOVERNMENT PRIMARY SCHOOL MIANWAL RANJHA.

Human Rights Protection Foundation (HRPF) remains steadfast in its mission to uphold human rights, promote transparency, and strengthen institutional accountability across Pakistan. Throughout the year, HRPF has continued its dedicated efforts to ensure that fundamental rights are protected and that public institutions fulfill their constitutional responsibilities.

We firmly believe that access to quality education is a fundamental human right. The condition of public educational institutions reflects the State's commitment to safeguarding this right. In line with this belief, HRPF formally submitted a petition to the Honorable Provincial Ombudsman Punjab concerning the deteriorating and unsafe condition of Government Primary School Mianwal Ranjha.

The school was facing serious infrastructural deficiencies, lack of essential facilities, and prolonged neglect, which raised grave concerns among students, parents, and the local community. Recognizing the urgency of the matter, the respected Provincial Ombudsman Punjab took notice of the complaint and initiated necessary measures to address the issues and improve the condition of the school.

This constructive response underscores the importance of institutional accountability and demonstrates the positive impact of lawful civic engagement. It reaffirms that when civil society organizations responsibly highlight

governance gaps, corrective action becomes possible.

HRPF remains committed to serving humanity through peaceful, lawful, and effective advocacy. We will continue to raise our voice for marginalized communities, monitor public service delivery, and work tirelessly to protect and promote fundamental human rights across the country.

PERFORMANCE REPORT ON INTERVENTION AT DAR-UL-AMAN, MANDI BAHAUDDIN.PUNJAB

1. Introduction

Human Rights Protection Foundation (HRPF) remains steadfast in its mission to uphold human dignity, promote transparency, and ensure the protection of fundamental rights across Pakistan. Despite operating with limited resources, HRPF continues to address public grievances and advocate for vulnerable communities through lawful and institutional mechanisms.

This report outlines HRPF's recent intervention concerning serious concerns at Dar-ul-Aman, Mandi Bahauddin.

2. Background of the Issue

HRPF received credible information from various sources indicating that Dar-ul-Aman, Mandi Bahauddin—a government shelter home established to provide protection and rehabilitation to vulnerable women—was facing severe deficiencies in basic facilities.

The reported issues included:

Lack of proper sanitation and hygiene facilities

Inadequate healthcare arrangements

Poor cleanliness standards

Negligence by responsible local authorities

Absence of proper monitoring and accountability mechanisms

Such conditions were not only alarming but also constituted a violation of the fundamental rights and dignity of the residents.

3. HRPF's Legal and Institutional Action

Recognizing the gravity of the matter, HRPF promptly initiated formal action. A detailed complaint was submitted to the Office of the Provincial Ombudsman Punjab, highlighting:

The urgent need for inspection

Immediate rectification of deficiencies

Administrative accountability

Protection of the fundamental rights of women residing in the facility

The application emphasized that Dar-ul-Aman residents are among the most vulnerable segments of society and deserve protection, dignity, and access to basic necessities as guaranteed under constitutional and human rights frameworks.

4. Outcome and Improvements

Following HRPF's intervention and engagement with the Provincial Ombudsman's office:

Official attention was drawn to the situation.

Administrative inquiries were initiated.

HRPF RAISED VOICE ABOUT GOVERNMENT PRIMARY SCHOOL MIANWAL RANJHA

Introduction

Human Rights Protection Foundation is committed to the protection of human rights, promotion of transparency, and addressing public welfare issues across Pakistan. The foundation actively works to ensure basic facilities and accountability in public institutions.

Case: Government Primary School Mianwal Ranjha

The foundation received reports that the building of Government Primary School Mianwal Ranjha was in a dangerous and deteriorated condition, posing a serious risk to the students. Educational activities were continuing in a structure that could have led to accidents at any moment.

To address this critical situation, HRPF submitted formal applications to the relevant education officials and also filed a request with the Office of the Ombudsman Punjab to bring urgent attention to the matter.

Follow-up and Legal Progress

HRPF closely monitored the case, providing all necessary records and evidence, highlighting that the safety of children is a fundamental human right.

As a result of persistent efforts, the Provincial Ombudsman of Punjab issued a decision stating that construction of new classrooms should proceed once the necessary funds are approved.

HRPF remains committed to its mission of public service and will continue advocating for safe learning environments and the well-being of communities.

Attachment withheld

IMPROVEMENT IN SANITATION SERVICES AT MIANWAL RANJHA.

Human Rights Protection Foundation (HRPF) formally submitted a complaint to the Provincial Ombudsman Punjab regarding the poor sanitation arrangements by the Gujranwala Waste Management Company (GWMC) in Mianwal Ranjha. The complaint highlighted serious concerns about irregular waste collection, accumulation of garbage in streets, unhygienic conditions, and the absence of proper waste disposal baskets within the village.

These inadequate arrangements were causing environmental hazards, foul odors, and health risks for the local population, particularly affecting children, elderly residents, and vulnerable groups. HRPF emphasized that access to a clean and healthy environment is a fundamental human right and urged immediate corrective measures.

Upon review of the complaint, the Provincial Ombudsman Punjab took notice of the matter and issued directions to the concerned authorities.

Following the Ombudsman's decision and intervention:

Regular waste collection has been significantly improved.

Garbage accumulation in streets has been reduced.

Cleanliness monitoring has become more consistent.

Waste disposal baskets have been installed at designated locations within the village.

Overall sanitation standards in Mianwal Ranjha have shown visible improvement.

The intervention demonstrates the effectiveness of lawful complaint mechanisms and institutional accountability in addressing community grievances. HRPF appreciates the timely response of the Provincial Ombudsman Punjab and the subsequent action taken by the Gujranwala Waste Management Company.

This progress reflects a positive step toward ensuring environmental health, community well-being, and the protection of citizens' basic rights.

IMPROVEMENT IN MEDICAL FACILITIES AT DISTRICT JAIL MANDI BHAUDDIN FOLLOWING HRPF INTERVENTION

Human Rights Protection Foundation (HRPF)

Human Rights Protection Foundation (HRPF) remains committed to safeguarding the fundamental rights and dignity of vulnerable individuals, including prisoners deprived of liberty.

Through reliable sources, HRPF received information that at District Jail Mandi

Bahauddin the designated medical doctor was frequently absent, resulting in inadequate medical care and serious difficulties for inmates requiring treatment. The absence of proper healthcare services posed a serious risk to the health and well-being of prisoners.

Recognizing the gravity of the matter, HRPF formally addressed the jail authorities to highlight the issue and seek immediate corrective measures. Furthermore, a formal complaint was submitted before the Honorable Office of the Ombudsman Punjab, requesting a thorough inquiry and a decisive order to safeguard the fundamental healthcare rights of inmates.

Upon receipt of the complaint, the Office of the Ombudsman Punjab sought comprehensive reports and relevant details from the District Jail administration. HRPF actively pursued the matter and ensured consistent follow-up during the proceedings

to promote transparency and institutional accountability.

Subsequently, the Honorable Ombudsman issued a formal decision addressing the concerns raised by HRPF. Following the implementation of the Ombudsman's directives, there has been marked improvement in the medical arrangements within the District Jail. The availability and presence of medical staff have significantly improved, ensuring better access to healthcare services for inmates.

This successful intervention demonstrates HRPF's unwavering commitment to upholding human dignity, strengthening institutional oversight, and ensuring that the basic rights of prisoners are protected in accordance with the law. HRPF will continue to monitor the situation to ensure sustained compliance and long-term reform.

SPECIAL REPORT BY THE HUMAN RIGHTS PROTECTION FOUNDATION: EDUCATION CRISIS IN PAKISTAN – CALL FOR IMMEDIATE ACTION

Introduction

Pakistan faces an alarming education crisis, with 22.8 million children aged 5-16 out of school, making it the second-highest globally in terms of Out-of-School Children (OOSC). This staggering figure represents 44% of the total population in this age group, highlighting deep-rooted issues in access to quality

education. The disparities in education, particularly for girls and marginalized communities, demand urgent and collective action.

Key Findings (According to UNICEF Report)

Age-Based OOSC Data:

5-9 years: 5 million children are not enrolled in school.

10-14 years: OOSC number doubles to 11.4 million.

Gender Disparities:

78% of girls in Balochistan and 58% of girls in Sindh (from the poorest households) remain out of school.

At the primary level, 10.7 million boys and 8.6 million girls are enrolled.

By lower secondary level, enrollment drops drastically to 3.6 million boys and 2.8 million girls.

Socio-Economic and Geographic Inequalities:

Sindh: 52% of the poorest children (mostly girls) are OOSC.

Balochistan: Educational access for girls is critically low.

Impact of the Education Crisis

Economic Implications: Lack of education perpetuates poverty, limiting future earning potential and productivity.

Social Disparities: Gender inequality is exacerbated, with limited opportunities for girls to contribute to society.

Human Rights Concerns: Denial of education violates fundamental human rights, impacting generations to come.

Recommendations by the Human Rights Protection Foundation

Policy Reforms:

Introduce Free and Mandatory Education Laws, strengthening enforcement of Article 25-A of Pakistan's Constitution for children aged 5-16.

Launch targeted policies to address girls' education, particularly in Sindh and Balochistan.

Budget Allocation:

Increase the education budget to 4-6% of GDP, ensuring resources for infrastructure, teacher training, and school supplies.

Prioritize funding for underprivileged regions and rural areas.

Community Engagement:

Mobilize community leaders to advocate for education, especially for girls, in marginalized areas.

Partner with NGOs to create awareness campaigns emphasizing the importance of education.

Incentive Programs:

Provide financial incentives for families to send children to school, such as stipends and free school meals.

Introduce conditional cash transfer programs linked to school attendance.

Infrastructure Development:

Build schools in underserved areas, ensuring proximity to communities.

Create a safe and inclusive learning environment, particularly for girls, with adequate sanitation facilities.

Digital and Alternative Learning Solutions:

Leverage e-learning platforms and mobile schools to reach OOSC in remote areas.

Provide vocational and non-formal education programs to adolescents who have aged out of the formal system.

Teacher Training and Recruitment:

Employ and train more female teachers, particularly in conservative areas, to encourage girls' enrollment.

Enhance teacher training programs focusing on inclusive and gender-sensitive teaching practices.

Data-Driven Interventions:

Conduct regular surveys to monitor progress and identify gaps in education delivery.

Use data to inform policy-making and resource allocation.

Call to Action

The Human Rights Protection Foundation urges the government, international organizations, and civil society to take immediate, coordinated action to address Pakistan's education crisis. Together, we can ensure that every child, regardless of gender or socio-economic status, has access to quality education—a fundamental right and cornerstone for sustainable development.

Join the Movement: Share this report, advocate for change, and support initiatives aimed at transforming Pakistan's education system. The time to act is now!

HRPF STRONGLY CONDEMNS BLA TERRORIST ATTACK ON BALOCHISTAN TRAIN, PAYS TRIBUTE TO MARTYRED DEFENSE FORCES

Human Rights Protection Foundation (HRPF)

The Human Rights Protection Foundation (HRPF) vehemently condemns the heinous terrorist attack carried out by the Balochistan Liberation Army (BLA) on a train in Balochistan, which resulted in the tragic loss of innocent lives. Such barbaric acts of terrorism pose a grave threat to national security, peace, and human rights in Pakistan.

HRPF extends its deepest condolences to the families of the martyred security personnel who sacrificed their lives while courageously defending the nation. Their unparalleled bravery and selfless devotion to duty stand as a testament to the resilience and strength of Pakistan's armed forces in the face of terrorism.

This attack is a direct assault on Pakistan's sovereignty and stability, targeting innocent civilians and security forces alike. HRPF stands in complete solidarity with the Pakistan Army, law enforcement agencies, and all security forces who continue to make extraordinary sacrifices to ensure the safety and security of the nation.

A CALL FOR NATIONAL UNITY:

In these critical times, HRPF urges the entire nation to stand shoulder to shoulder with the Pakistan Armed Forces. The brave soldiers of Pakistan are our protectors, ensuring the safety of every citizen despite unimaginable challenges. National unity, unwavering support for our forces, and collective resilience are the need of the hour.

HRPF's Commitment:

The Human Rights Protection Foundation remains committed to advocating for peace, justice, and the protection of innocent lives. We reaffirm our zero-tolerance policy against terrorism and continue to support all efforts aimed at eradicating extremism from Pakistan.

We pray for the eternal peace of the martyrs and a swift recovery for the injured. Let us

unite as one nation to support our defenders and ensure that such tragedies never happen again.

If you want, I can also create a shorter, media-ready version of this press release that is punchy and suitable for newspapers, social media, and news agencies. This makes it more shareable without losing the core message.

HUMAN RIGHTS PROTECTION FOUNDATION (HRPF) RAISES CONCERNS OVER RISING CRIMES AND POOR INVESTIGATIONS IN P/S KUTHIALA SHEIKHAN, DISTRICT MANDI BAHAUDDIN

The Human Rights Protection Foundation (HRPF) remains steadfast in its commitment to upholding human rights and promoting transparency within institutions. In light of the alarming increase in serious crimes and the evident lack of cooperation from investigative officers at Police Station Kuthiala Sheikhan, District Mandi Bahauddin, HRPF formally raised its concerns with the Inspector General of Punjab Police, Lahore.

In response, the IG Punjab appointed SSP (IAB) Gujranwala as the inquiry officer. A detailed inquiry report was subsequently prepared and submitted to AIG (Inspection), Lahore under Reference No. 2174/INQ dated 04-11-2024.

Following the inquiry's findings, AIG (Inspection) Punjab Police, Lahore issued directives to the RPO Gujranwala on two occasions, instructing departmental action

against the concerned Sub-Inspector and ASI for conducting a substandard investigation. Additionally, SSP (IAB) Gujranwala recommended the transfer of the Sub-Inspector from Police Station Kuthiala Sheikhan and emphasized that justice must be delivered to the complainants based on merit (Reference No. 1213/INQ dated 24-12-2024; Reminder No. 211/INQ dated 19-02-2025).

Despite these repeated directives, bureaucratic delays and traditional negligence continue to hinder justice. HRPF has now issued a direct letter to the Inspector General of Police, Punjab, urging immediate and effective action.

It is a harsh reality that the primary cause of rising serious crimes in Mandi Bahauddin is the flawed investigation system. Investigating officers often show no genuine interest in resolving cases on merit. Alarming, a "private writer" is reportedly

preparing all case documents and challans for the entire police station—a matter of serious concern for senior authorities.

CONCERN OVER PROLONGED SHUTDOWN OF MIANWAL RANJHA FEEDER

The Human Rights Protection Foundation (HRPF) has formally raised serious concerns regarding the prolonged shutdown of the Mianwal Ranjha feeder during the holy month of Ramadan.

The issue was communicated to the Secretary of the Power Division, Islamabad, and senior officials of GEPCO, highlighting that such an extended closure during clear and favorable weather conditions reflects a clear sign of negligence and inefficiency on the part of the operational staff. HRPF emphasizes the urgent need for accountability and immediate measures to prevent recurrence, ensuring uninterrupted electricity supply for the affected communities.

HUMAN RIGHTS PROTECTION FOUNDATION ENSURES ELECTRICITY INFRASTRUCTURE DEVELOPMENT IN MIANWAL RANJHA

Mianwal Ranjha, Pakistan – The Human Rights Protection Foundation (HRPF) has successfully facilitated major improvements in electricity distribution in Mianwal Ranjha.

A 100 kV transformer has been approved and installed in the Western Graveyard area (Mohalla), and transformer equipment near Mr. Yousaf Lohar's residence has been delivered with installation underway.

High Tension (HT) and Low Tension (LT) proposals for the Mianwal Ranjha feeder have been approved. Work orders for 10 proposals, including new transformers, poles, and four-core cables, have been issued, and most of the work is now complete.

Key LT/HT proposals executed include areas near Dara Dilwana, Madrasa Siraj-ul-Huda, Mank Chowk, Main Bazaar near Jamia Masjid Sharqi, and Dara Safdar Iqbal.

These achievements follow HRPF's persistent advocacy with the Honorable Federal Ombudsman and GEPCO authorities

to address electricity overloading and distribution issues. Remaining projects are actively being followed up to ensure timely completion. HRPF remains committed to public service, infrastructure development, and improving electricity supply in Mianwal Ranjha.

INSTALLATION OF COLD WATER COOLER AT WESTERN GRAVEYARD, MIANWAL RANJHA – A STEP TOWARDS COMMUNITY WELFARE

In response to the sweltering summer heat and the basic need for clean, cold drinking water, the Human Rights Protection Foundation (HRPF) has successfully installed a cold water cooler at the Western Graveyard, Mianwal Ranjha. This initiative is aimed at providing immediate relief to visitors, especially during funeral gatherings, where access to drinking water is often lacking.

This project represents a humble yet significant step in our ongoing mission to serve humanity through practical and impactful initiatives. The HRPF continues to work tirelessly—within its means—to support and uplift communities across the region.

We believe that true service to humanity lies in small acts of kindness that bring comfort and dignity to people's lives. Whether it is advocating for human rights, supporting the underprivileged, or ensuring access to basic necessities, HRPF remains committed to its core mission.

We pray that Allah Almighty accepts these efforts and continues to guide us in our journey of compassion and public service.

A PUBLIC HEALTH EMERGENCY, A GOVERNANCE CRISIS — HRPF DEMANDS IMMEDIATE ACTION AND INDEPENDENT INQUIRY

Overview:

The Human Rights Protection Foundation (HRPF) expresses deep concern over the escalating outbreak of Foot-and-Mouth Disease (FMD) in Mandi Bahauddin. Despite official claims of mass vaccination, local reports indicate the disease is spreading rapidly, causing severe losses to farmers and threatening rural food security.

Key Findings:

Vaccines administered reportedly failed to protect livestock.

Possible issues with vaccine quality, expiry, or cold chain management have emerged.

Procedural lapses and mismanagement raise questions about accountability and transparency.

Critical Questions:

Were vaccines effective, properly stored, and administered?

Were vaccination campaigns fully monitored and funds transparently utilized?

HRPF Actions:

Official concerns communicated to the

Provincial Minister and Secretary of Livestock, Punjab.

Demands for independent and transparent inquiry into vaccination campaigns.

Calls for scientific evaluation of vaccine batches and forensic audit of processes.

Human Rights Impact:

Threats to farmers' livelihoods and rural food security.

Loss of public trust in government institutions.

HRPF Recommendations:

Conduct public inquiry with independent veterinary, legal, and human rights experts.

Investigate and suspend officials responsible for irregularities.

Ensure transparent monitoring for future livestock programs.

Provide compensation and support to affected farmers.

Commitment:

HRPF will continue to monitor, document, and advocate for accountability, urging immediate government action to protect public welfare, agriculture, and human rights in Pakistan.

NEPRA LAUNCHES INQUIRY FOLLOWING HRPF PETITION AGAINST UNJUST ELECTRICITY CONNECTION CHARGES

Official Press Statement – Human Rights Protection Foundation (HRPF)

The Human Rights Protection Foundation (HRPF) has actively intervened regarding the recent arbitrary increase in charges for new electricity connections imposed by the Gujranwala Electric Power Company (GEPCO), Gujranwala. This abrupt hike disproportionately impacts ordinary citizens, particularly low-income households already struggling under inflation and economic hardships.

Key Findings & HRPF Actions:

Unjust Tariff Escalation:

Consumers who had already submitted their demand notices are now being issued revised estimates, which HRPF identifies as unethical, discriminatory, and contrary to principles of fair governance.

Formal Interventions & Regulatory Response:

HRPF formally approached the Power Division, Government of Pakistan, senior officials of GEPCO, and the National Electric Power Regulatory Authority (NEPRA).

HRPF urged immediate review of the arbitrary charges to protect public interest.

As a result of HRPF's petition, NEPRA launched a formal inquiry and sought a detailed report from GEPCO.

Administrative Concerns:

Following NEPRA's inquiry, GEPCO reportedly canceled weekend holidays and issued revised demand notices hastily, raising concerns about administrative fairness and transparency.

Legal Action:

HRPF has decided to challenge the unjust decision in the Honorable High Court by filing a constitutional writ petition.

HRPF remains committed to protecting consumer rights, promoting institutional

transparency, and upholding the rule of law.

Conclusion:

The Human Rights Protection Foundation will continue pursuing all lawful and constitutional remedies to ensure electricity consumers' rights are safeguarded and public authorities are held accountable.

RIGHT TO INFORMATION VIOLATION – HRPF ACTION

The Human Rights Protection Foundation (HRPF), a registered human rights organization, has formally sought information from Gujranwala Electric Power Company (GEPCO), Kuthiala Sheikhhan under the Right to Information Act.

Despite the legal timeframe, the requested information was not provided, and the concerned officer refused to share it, violating the law.

In response, HRPF informed the Honorable Chief Commissioner, Pakistan Information

Commission, and filed a petition to enforce the statutory right to access certified information.

HRPF emphasizes that access to information is a fundamental legal right and a critical tool for transparency, accountability, and protection of human rights. The organization will continue to pursue all lawful and democratic measures to uphold public interest and human rights.

CLOSING REMARKS – PROGRESS REPORT

The Human Rights Protection Foundation (HRPF) continues to operate diligently within the challenging circumstances prevailing in the country. Serving humanity remains our fundamental mission, and raising our voice against all forms of crime and lawlessness is regarded as a moral and ethical obligation.

In addition to these efforts, HRPF is committed to upholding the dignity and morale of national institutions. We actively work to bridge the gaps and eliminate misunderstandings created by anti-national elements between the public and state institutions. Strong and efficient institutions are the cornerstone of a prosperous and secure Pakistan.

HRPF holds patriotic citizens in the highest esteem, while viewing conspiratorial and subversive elements as threats to national integrity. Love for the country and respect for our armed forces are regarded as integral expressions of our faith and national commitment.

A detailed account of HRPF's social services and initiatives is provided below.

CLOSING STATEMENT AND PRAYER

Closing Statement:

We remain committed to our mission of promoting human rights, transparency, and social welfare, seeking guidance and strength from Allah in every step of our journey.

Closing Prayer:

O Almighty Allah,

Guide us in our efforts and grant us the reward of justice and righteousness for our work.

Bestow upon us patience, courage, and steadfastness so that we may diligently uphold human rights, welfare, and transparency.

Protect us from all forms of injustice, oppression, and hardship, and help us ensure that our services reach the oppressed and deserving members of society.

Ameen.
